Keep Hands Nourished & Hydrated with BCL

BCL Spa – Natural Remedy Critical Repair Creams instantly deliver intense moisture to dry, cracked skin without a greasy after feel.

Helps relieve dry, itchy skin while nourishing and repairing the skin's moisture barrier.

The key ingredients of safflower, sunflower, jojoba & olive oil, with a blend of oils offer anti-inflammatory and moisturizing properties that help nourish and hydrate the skin. High in antioxidants, these oils protect the skin from free radical damage caused by environmental stressors.

RRP is AED 30 (3oz). BCL Spa products are available at leading luxury spas and salons nationwide and exclusively distributed in the UAE and Middle East by Beautylicious.
